

B 250 R  
40" or 48" Ride On Automatic Scrubber

# B 250 R Ride On Scrubber

## Powerhouse on three wheels.

The newly renovated B 250 R Ride On Scrubber offers the versatility of roller brushes in 40" or 48" with an integrated sweeping attachment or a traditional 40" disk brush head. The B 250 R combines the power of a high quality scrubber with dust free sweeping/vacuuming technology. This machine is fully configurable and has replaceable brush heads that are impact protected, impact resistant and corrosion resistant. Superior operational ease is complimented with an ecoefficiency mode, longer run times, and high degree of maneuverability.
