

BDS 51/175-300 C 20" Dual Speed Rotary Floor Machine

BDS 51/175-300 C Rotary Floor Machine

Smooth power with high output 1.75 HP DC motor.

Choose your cleaning speed with the flick of a switch, 175 RPM low speed for floor stripping, or 300 RPM for polishing and spray buffing. Smooth power is delivered to the floor through an extremely rugged, high quality, precision cut triple planetary gear-case engineered for years of reliable service. The cast aluminum base is many times tougher than plastic or stamped metal competitor models. Other features include large 5" non-marking wheels, thumb activated safety interlock, heavy duty handle, non-marking bumper and an easy to access 15 amp circuit breaker.
