

# BR 40/25 C Bp 16" Battery Operated Floor Scrubber

# BR 40/25 C Bp Floor Scrubber

## Easy handling.

Highly maneuverable compact roller brush automatic floor scrubber fits into the tightest spots. Battery operation means no power cord to work around. Large type 31 battery pack provides extended run times. One simple knob control enables the operator to easily control machine functions, with no assorted buttons, dials and levers to confuse. Automatic solution dispensing means no more puddles or solution spills when the machine stops. An optional AGM battery pack removes all worries about battery maintenance. BR 40/25 C Bp is a small and agile machine for small surfaces with optimized transmission of power to the brushes.

Model	Order #
BR 40/25 C Bp 105 AH batteries	9.512-506.0
BR 40/25 C Bp AGM 115 AH batteries, on-board charger	9.512-683.0

Technical Data	
Cleaning width	16"
Productivity	17,220 ft <sup>2</sup> per hour
Realistic productivity rate	10,000 ft <sup>2</sup> per hour
Solution tank capacity	6.6 gallons
Recovery tank capacity	6.6 gallons
Noise level	70 dB(A)
Cleaning brush speed	1000 RPM
Brush down-pressure	240 g/cm <sup>2</sup>
Weight	200 lbs with batteries
Dimensions (l x w x h)	38.5" x 22.6" x 32.6"

Standard Equipment	
Standard red scrub brushes	4.762-458.0
Squeegee assembly	6.273-253.0
