

# KM 75/40 W 30" Walk Behind Sweeper

# KM 75/40 W Sweeper

## Easy dust filter cleaning and simple control.

Without equal, the KM 75/40 W is the smoothest running sweeper on the market today. This machine will please any customer who has up to 50,000 square feet of hard floor or 35,000 ft<sup>2</sup> of carpeting to sweep. "Whisper quiet" and powerful, superior engineering assures outstanding cleaning results, indoors or out. Self-propelled and easy to understand control system ensures operator confidence. Large filter (19.3 ft<sup>2</sup>) with patented manual shaker-cleaner is 99.5% efficient to prevent fine dust particles from re-entering the environment.
