

Puzzi 50/35 C Portable Carpet Extractor

Puzzi 50/35 C Extractor

Easy cleaning of textiles, carpet and upholstery.

The Puzzi 50/35 C provides cleaning professionals with the utmost in power and performance. Fully adjustable pressure from 0–500 psi will strip away the most stubborn carpet soil with fewer passes, a real time saver. For delicate upholstery applications, simply dial in the required pressure. A high performance three stage vacuum motor assures superior moisture recovery capabilities and faster drying times. Operators will appreciate effective features such as: large 12" rear wheels for outstanding mobility, easy fill tank, no spill solution tank, pressure gauge, on-board bucket and chemical storage area.
