

Puzzi 8/1 C Spotter/Extractor

Puzzi 8/1 C Spotter/Extractor

Handy and compact spray extractor.

This little powerhouse is based upon our renowned Puzzi 100 extractor. Weighing only 19 lb., the Puzzi 8/1 C can be carried up and down stairs without strain. Convenient clips on the housing means there is nothing extra to carry when transporting. A very high solution recovery rate is achieved with the 1100 watt motor. The comfortable and easy to use utility hand tool along with a flexible vacuum and solution hose are included as standard equipment. Many optional accessories are available, including an economical hard floor scrub and vacuum tool attachment to keep your building entrances dry, safe and attractive. Ideal for small areas and interim cleaning, upholstery and vehicle interiors.
