

T 10/1 Dry Canister Vacuum

T 10/1 Canister Vacuum

Commercial quality. Economical cost.

A Kärcher T 10/1 high performance commercial dry canister vac will provide extremely strong suction and high airflow characteristics at a whisper quiet 63 dB(A) sound level. Operators enjoy the on-board tool storage, foot-operated on/off switch and a quick cord wrap. Large fixed rear wheels with front swivel casters allow effortless mobility. For economical operation, this machine can be used without the need to purchase bags, or choose the optional reusable cloth bag.
